

DS2R

DetectaSmoke® replacement can for DR1 DetectaReach® (non-flammable)

General

The DS2R DetectaSmoke® is an ultra-low residue formula smoke and fire alarm test aerosol. It was born out of customer demand and is used across many industries which include fire and security, maintenance and marine to regularly test fire and security systems

The DS2R is compatible with the DR1 DetectaReach® delivery system. Its synthetic smoke aerosol delivers particles imitating those found in real smoke to the detector.
