EMEA: www.firesecurityproducts.com

Australia: www.interlogix.com.au

Supported camera list

TruVision 360° cameras:

TVF-5201

TVF-5202

TVF-5203

TVF-5204

Improvements and new features in Firmware V16.1 FP7

- Option added to disable automatic logout in live view (menu Camera Configuration > Security > Security Service > Disable Live View Auto-logout)
- Improvements for Intersection analysis
- ActiveX Plugin update to avoid conflicts with plugins from other TruVision cameras
- Fixed issue when trying to change encoding with TVN 11 from H.265 to H.264 while using fusion view

- Security updates
- Updates on camera help pages and translations

Important note: after updating the camera, restore default settings and reconfigure the camera.
