

# FE230

## Dørholdemagnet, planmontage, 400 N

### General

---

The FE230 is a surface mount door holder, in a Bayblend housing, which offers a 400 N holding force and a release button. Cable entry is possible from the back or from the sides, and the release button can be located at the top, or one of the sides.

### Magnet construction

---

The magnet is constructed with a pressed coil and anti-remnance pin, giving it a protection of IP54. The protection diodes are integrated into this construction.

### Housing

---

The plastic housing is manufactured from Bayblend and contains 30% PA6 glass fiber, which makes it much stronger than standard ABS. Bayblend offers high heat resistance, high impact and notched impact strength, and high stiffness and dimensional stability.

### Installer friendly

---

For practical ease of installation, the door holder comes complete with electrical screw terminals.

The housing is predrilled in a practical, standard format for rapid mounting.

The door holder is supplied complete with a keeper plate, which offer angular adjustment.

The release button can be position in three different locations: top, left or right.

Cable entry can be done in four different locations: back, top, left or right.

### Approvals

---

The FE230 is fully approved according to EN1155.

### Detaljer

---

- Low power - 1.6 W
- 400 N holding force
- Anti-remnant ejector
- Spark suppression diode and reverse polarity protection
- Release button
- EN1155 approved
- Keeper plate included

### Tekniske specifikationer

---

#### Generelt

Holdkraft N (Newton)	400
----------------------	-----

Udløserknap	Ja
-------------	----

Gnistundertrykkesedde	Yes
-----------------------	-----

Omvendt polaritetsbeskyttelse	Yes
-------------------------------	-----

#### Elektrisk

Strømforsyningstype	24 VDC
---------------------	--------

Strømforsøg	1.6 W
-------------	-------

Arbejdsperiode	100%
----------------	------

#### Fysisk

Fysiske dimensioner	85 x 110 x 38 mm (W x H x D)
---------------------	------------------------------

#### Miljø

IP-vurdering	IP54 (magnet) IP42 (connection)
--------------	------------------------------------

#### Regulerende

Standarder	EN1155
