## TruVision udendørs hus til boks kamera med IR og varmelegeme, IK10 og IP67

### Overview

---

TruVision® Box Camera Outdoor Housing by Interlogix is designed for ease of installation and service. The clamshell format provides for more flexibility when installing near a soffit, while two stainless steel clamps allow for easy access to the camera and lens. The housing can be used for indoor or outdoor applications.

The aluminum alloy housing provides strength and durability and is rated to IK10 for improved vandal resistance. The housing includes a built-in IR illumination and heater for a wider range of environmental uses. The housing is IP67 rated and includes a "swing access" back box mounting solution for easier access to cabling and installation.
