

## PS5VDC2A-EU

**5 VDC at 2 A, plugs directly into wall outlets, compatible with VDA plugs used in Europe and part of South America**

### Overview

---

Carrier Fire & Security's wide range of power supplies provide solutions for all the majority of various applications. Available in wall format with adaptors, Carrier Fire & Security supplies can be used with all major power plugs. Solutions include both in wall and "power brick" configurations. Switching supplies include advanced technology and power savings, meeting Level IV (4) International Efficiency in compliance with California Energy Commission, Energy Star and the EU Code of Conduct for external power supplies. Supplies can be mixed and matched to a variety of Carrier Fire & Security products to meet installation requirements.

---

Supplies are available in both +48 Volt DC, +12 Volt DC and +5 Volt DC models, meeting a wide range of price, installation and wall prongs for world-wide operations. With Carrier Fire & Security power supplies, the power is in your hands.

### Details

---

- CE approved
- UL approved
- CSA approved
- Compact power supplies for standalone fiber links or Media Converters
- Low voltage outputs
- Models for Europe and UK region
- Available in Wall type

# PS5VDC2A-EU

5 VDC at 2 A, plugs directly into wall outlets, compatible with VDA plugs used in Europe and part of South America

## Technical specifications

---

### General

Type	In Wall
------	---------

---

### Electrical

Mains input	90 to 264 VAC, 47 to 63 Hz
-------------	----------------------------

---

### Output

Power output voltage	5 VDC
----------------------	-------

Power output current mains	2 A
----------------------------	-----

---

### Physical

Physical dimensions	85 x 72 x 32 mm
---------------------	-----------------

Net weight	106 g
------------	-------

Colour	White
--------	-------

Form factor	External adapter
-------------	------------------

---

### Regulatory

Compliance	CE, REACH, RoHS 2, WEEE
------------	-------------------------

---

### Standards Conformance

EMC	CISPR 22 Class B
-----	------------------

EMC	EN55022 Class B
-----	-----------------

EMC	EN61204-3 Class B
