

OR2000

Reflective Prism For Beam Detectors

Optical prism for use with:

FD705RVDS/FD710RVDS

FD705RZ/FD710RZ

FD805R/FD810R

FD905R/FD910R

FD950

FD2000

FD2705R/FD2710R

FD2000-EZ

FDR50-EZ/FDR100-EZ

EC-50R/EC-100R

OR2000

Reflective Prism For Beam Detectors

Technical specifications

Physical

Physical dimensions	100 x 100 x 10 mm (W x H x D)
---------------------	-------------------------------

Environmental

Environment	Indoor
-------------	--------

Compatible products

Category	Reference	Description
Detection device	1108010	
Detection device	1109010	
Detection device	5000-007	
Detection device	5000-008	
Detection device	6020-100	
Detection device	6030-100	
Detection device	FD001R	
Detection device	FD2705R	2000 series addressable reflective beam detector 5 - 50 m
Detection device	FD2710R	2000 series addressable reflective beam detector 50 - 100 m
