

5515-G

Surface mount moisture sensor, grey

5515-G

Surface mount moisture sensor, grey

Technical specifications

General

Sensor type	Flood Sensor
Connections	3m wire lead

Wired / wireless

Wired-wireless	Wired
----------------	-------

Electrical

Operating voltage	Via 5501 moisture processor
-------------------	-----------------------------

Physical

Physical dimensions	99 x 18 x 15 mm (L x W x H)
Colour	Grey

Environmental

Operating temperature	0 to +82°C
-----------------------	------------
