

TVC-OH3-HT

TruVision box camera outdoor housing with IR and heater, IK10 and IP67 rated

Overview

TruVision® Box Camera Outdoor Housing by Interlogix is designed for ease of installation and service. The clamshell format provides for more flexibility when installing near a soffit, while two stainless steel clamps allow for easy access to the camera and lens. The housing can be used for indoor or outdoor applications.

The aluminum alloy housing provides strength and durability and is rated to IK10 for improved vandal resistance. The housing includes a built-in IR illumination and heater for a wider range of environmental uses. The housing is IP67 rated and includes a "swing access" back box mounting solution for easier access to cabling and installation.

Details

- Fits all TVC TruVision box cameras
- IK10 vandal resistant
- Built-in IR up to 120m
- Weather-proof installation up to IP67
- Includes heater and fan
- Installation- & maintenance-friendly side-cover access

TVC-OH3-HT

TruVision box camera outdoor housing with IR and heater, IK10 and IP67 rated

Technical specifications

General

Type	Fliptop housing
Internal heater	Yes
Internal fan	Yes
Usable internal length	295.29 mm
Cable management	Yes

Physical

Physical dimensions	619.4 x 423 x 209 mm
