AS36RIM

Sounder Beacon Rim With "Fire" Text (English)

General

The AS36RIM is an aesthetic surround for AS360, AS2360, FA360 and FA2300 series VADs, visual indicators, sounders and combination units. It allows for the selected product to be displayed with "FIRE" text.

The AS36RIM may be retro fitted to compatible deep base devices in the range, and allows for convenient and clear visual verification of the location of fire notification equipment on any installation.

Installation

Due to an innovative design, the text orientation of the AS36RIM may either be horizontal or vertical, depending on the application requirements. A locking mechanism prevents the orientation position from being changed once the notification device has been installed.

Designed to accommodate both surface and rear cable entry, the selected, deep base notification device continues to maintain its IP rating as before. The AS36RIM in no way affects the operation or mounting options of the selected notification device, and may be used for compatible addressable and conventional notification devices.

Additional text

Because of the flat surface areas, logos and/or additional text may be added on site as required.

Détails

- Easy to install
- Provides and aesthetic surround for fire notification devices
- Horizontal or vertical installation
- Locking mechanism to lock orientation
- Additional flat surface for logos or text

Sounder Beacon Rim With "Fire" Text (English)

Spécifications techniques

Général

Compatibilité	300 Series conventional, & 2000 series addressable notification devices

Caractéristiques physiques

Dimensions physiques	43 x 98 x 272 mm (W x H x L)
Poids net	150 g
Couleur	Rouge
Type de montage	Fixation murale
Position de montage	Wall
Matériel	Polycarbonate haut impact

Environnement

Protégé contre le vandalisme	Non
Environnement	Intérieur, Extérieur

Régulateur

Conformité	CE, REACH, RoHS 2

Produits compatibles

Catégorie	Référence	Description
Module de notification	AS363	Sirène incendie, multi sonnerie, base de fixation fine
Module de notification	AS363W	Sirène incendie, multi sonnerie, base de fixation fine
Module de notification	AS364	Diffuseur sonore, couleur rouge, 32 tons, 17 Vdc, 64-106dBA, base avec accès conduits
Module de notification	AS364M	Sounder, Multi Tone, Deep Base, Mains Powered
Module de notification	AS364W	Fire Sounder, Multi Tone, Deep Base, White
Module de notification	AS366	Sirène / flash, multi sonnerie, base de fixation fine
Module de notification	AS367	Sirène / flash, multi sonnerie, base de fixation épaisse
