

# TVM-2700

## TruVision LED 27" Full HD Monitor, HDMI / DVI / S-VIDEO / VGA / BNC

### Overview

---

The LED TVM range of monitors is the latest advancement in TruVision monitors. Providing superior image quality through HDMI, DVI, S-VIDEO, VGA and BNC connections, these monitors are a great fit for today's demanding video surveillance market.

Whether displaying analog or IP resolutions, these monitors are designed to provide top image quality paired with industrial reliability.

These monitors are designed to perform 24/7 and will last for many years in high security environments.

### Capabilities

---

The TVM-2700 is a 27" monitor, offering HDMI, DVI, S-VIDEO, VGA and BNC connections. This product easily outperforms its predecessors, while also reducing its ecological footprint. The monitor has two built in speakers and is provided with VESA wall mount holes, making them easy to combine with a variety of accessories.
