

# TVM-4002

**TruVision 40" LED, VGA, HDMI, BNC, Ijud, stereoljud in, full HD, 1920X1080**

## Overview

---

The LED TVM range of monitors is the latest advancement in TruVision monitors. Providing superior image quality through HDMI, VGA and BNC connections, these monitors are a great fit for today's demanding video surveillance market.

Whether displaying analog or IP resolutions, these monitors are designed to provide top image quality paired with industrial reliability.

These monitors are designed to perform 24/7 and are design with security applications in mind.

## Capabilities

---

The TVM-4002 is a 40" class monitor, offering HDMI, VGA and BNC connections. The monitor has two built in speakers and is provided with VESA wall mount holes, making them easy to combine with a variety of TruVision mounting accessories. The on screen display allows for full control of images settings such as brightness, contrast and colour temperature.
