Online Courses

Fire Detection

These courses can be completed at any time once access has been granted. Please take note that access to any online course will expire after 30 days, failing to complete the theory parts online within the specified time will require an additional PO to be granted access again.

Once the theory part has been completed for the 2010-2 Platform a practical session needs to be booked to get fully certified.

The engineers will require fire panel hardware and access to a laptop to familiarize themselves with the equipment before attending the practical.

2010-2 Platform (ZP2 and 2X) – R450 per person

2010-2 Practical Session (1 day) – R1500 per person

GST Conventional Panels & Accessories – R450 per person
