Protecting your business

Advisor Advanced Pro App

interlogix

Advisor A
by UltraSy

Welcome to the UltraSync™ enabled Advisor Advanced Pro App from Interlogix

Interlogix's security solutions enable business owners to intelligently secure their properties and automate and control a broad array of connected devices through a single, intuitive user interface. Control your security system from anywhere anytime.

Complementary to services provided by the central monitoring stations, Advisor Advanced Pro App provides you with a view on your security.

dvanced Pro App powered nc™

With the **Advisor Advanced Pro App** users can control and manage interactive security, video monitoring as well as an ecosystem of connected devices.

- Have a clear overview of all your devices
- Control your alarm security system
- Monitor pre-programmed functionalities
- Remotely view images
- And much more…
